

REMARKS

Examiner stated in the referenced office action that Claims 10-11 and 15-22 would be allowable if rewritten in independent form including the limitations of the base claim and any intervening claims. Claim 15 has been rewritten to include the limitations of the base claim. Claims 16 – 22 have been and are now dependent on Claim 15. Claims 10 and 11 were dependent on Claim 1. Applicants have amended Claims 10 and 11 to make them dependent on Claim 15.

For these reasons all claims should now be allowable and Applicants request that they be allowed and the application allowed to issue as a patent.

Respectfully submitted,
